CASTI Guidebook Series

CASTI Guidebook to ASME B31.3 - Process Piping (Fourth Edition)

Covering the 2004 ASME B31.3 code book released in June 2005 with many significant technical changes including:

- new weld joint strength reduction factors based on creep effects
- alternative allowable stress for occasional loading of components at elevated temperatures
- newly revised stress range factors, f , for flexibility/fatigue analysis with specific limitations
- the addition of alternative rules for flexibility analysis (Appendix P)
- the addition of piping stress analysis examples (Appendix S)
- changes to rules limiting ovalization for pipe bends
- new Code Interpretation covering the issues of repair and replacement
- soft cover, 8.5"x11", 384 pages

Soft cover book \$150 or Downloadable E-book \$75
ISBN: 1-894038-86-X

CASTI Guidebook to ASME Section VIII Div.1 - Pressure Vessels (Fourth Edition)

This guidebook covers the new 2004 ASME Section VIII Div. 1 Code and reflects some its very important changes.

- completely revised rules for expansion bellows
- new mandatory rules for the design of tube sheets
- revisions to design rules for formed heads and new buckling criteria
- background explanation and application of new rules on local thin areas
- revision of secondary stress limits
- introduction of new weld joint types in Table UW-12, addition of new PWHT requirements for low temperature design
- explanation of metrication of the Code and its implications
- soft cover, 8.5"x11", 290 pages

Soft cover book \$150 or Downloadable E-book \$75
ISBN: 1-894038-84-3

CASTI Guidebook to ASME Section IX - Welding Qualifications (Fourth Edition)

This guidebook covers the new 2004 ASME Section IX Code and reflects some its very important changes.

- addition of new temper bead welding procedure qualification rules
- additions, revisions and deletions of essential variables and non-essential variables
- addition of new mandatory Appendix F - Standard Units for Use in Equations
- explanation of new Section IX Code interpretations
- how to prepare and review WPS, PQR and WPQ
- welding documentation forms
- testing and examination requirements
- soft cover, 8.5"x11", 394 pages

Soft cover book \$150 or Downloadable E-book \$75
ISBN: 1-894038-80-0

CASTI Guidebook to ASME Section II, B31.1 & B31.3 Materials Index (Ninth Edition)

This 2005 updated Guidebook efficiently organizes the important materials data used in ASME Code design and includes:

- Materials data from ASME Section II Parts A and B material
- detailed outline of the materials covered in B31.1 and B31.3 piping codes
- information covering special limitations on B31.3 materials
- precautionary service considerations for B31.3 materials
- listings of ferrous and nonferrous materials specifications by boiler and pressure vessel code section use
- listings of ASTM and API materials in the B31.1/B31.3 stress tables
- also covers materials for Section IV, Section VIII – Div. 3
- soft cover, 8.5"x11", 497 pages

Soft cover book \$150 or Downloadable E-book \$75
ISBN: 1-894038-82-7

Online ASME Code Interpretations Database

ASME BPV & Piping Codes Online Interpretations Database!

**Search and Access
Anywhere, Anytime!**

Make Better ASME Code Decisions

with this Powerful Online Database while Saving Time and Money!

- Search, organize, and print over 8,000 interpretations of the ASME Boiler and Pressure Vessel Code (all sections, parts and divisions) and the two most popular pressure piping codes, (B31.1 and B31.3) and print or copy/paste search results
- Search by paragraph number, keywords, code section, year and more!
- Log on with your Internet Browser using your unique Username and Password
- Always Up-to-Date with the latest Codes - Never Need to Update with CD-ROMs
- Affordable Pricing: purchase access to the database in blocks of 1 hour (\$50), 5 hours (\$225), or 10 hours (\$400)
- Search for all interpretations of a specific code paragraph in less than 1 minute!

For more information call us at (780) 424-2552 or visit www.casti.ca

CASTI Metals Data Book Series

CASTI Metals Black Book North American Ferrous Data (Fifth Edition)

Now Available in
Downloadable PDF
Format!

CASTI Metals Black Book European Ferrous Data (Second Edition)

Over 300,000 Data Entries in Printed Book or Fully Searchable E-Book

- International cross references (60 pages) covering ASTM, DIN, EN, SAE, API, BSI, AFNOR, JIS, CSA, ISO for carbon, alloy and stainless steels
- Updated American cross references: ASTM, UNS, SAE, AMS, FED, MIL
- Updated chemical compositions, mechanical and physical properties from: ASTM, SAE (AISI), UNS, API, CSA and other standards
- Covers plate, sheet, strip, castings, forgings, bars, wire, pipe, tube, fasteners, including boiler and pressure vessel P-Numbers.
- Carbon steels, alloy steels, tool steels, stainless steels, cast irons
- 6 chapters covering the metallurgy of steels and cast iron
- 4 language glossary of metal terms: English, Spanish, German, French
- Printed Book is soft cover, 6"x9", 837 pages or fully searchable e-book

Soft cover book \$90 or Downloadable E-book \$50
ISBN: 1-894038-72-X

Over 300,000 Data Entries in Printed Book or Fully Searchable E-Book

- International cross references (60 pages) covering ASTM, DIN, EN, SAE, API, BSI, AFNOR, JIS, CSA, ISO ferrous materials
- Updated chemical compositions, mechanical and physical properties data
- Former national designations and Euronorm numbers with new corresponding EN standards
- Extensive list of DIN specification designations, steel names, material numbers, and specification titles
- Complete chapter describing the European Standard Steel Designation System (e.g., steel name 13CrMo4-5 and steel number 1.7335)
- 4 language glossary of metal terms: English, Spanish, German, French
- Printed Book is soft cover, 6"x9", 832 pages or fully searchable e-book

Soft cover book \$90 or Downloadable E-book \$50
ISBN: 1-894038-74-6

CASTI Metals Red Book Nonferrous Data (Fourth Edition)

Over 250,000 Data Entries in Printed Book or Fully Searchable E-Book

- Updated American and European data from: ASTM, SAE, UNS, AMS, MIL, FED, EN, ISO, DIN, BSI, JIS, AFNOR
- International and American cross referenced standards
- Updated and new chemical compositions, mechanical and physical properties
- Covers plate, sheet, strip, castings, forgings, bars, wire, pipe, tube, fasteners
- Aluminum, copper, nickel, titanium, zinc, magnesium, tin/solder, precious metals, zirconium and cobalt, including Hundreds of common names
- 8 chapters of nonferrous metallurgy with many practical examples of usage
- Printed Book is soft cover, 6"x9", 749 pages or fully searchable e-book

Soft cover book \$90 or Downloadable E-book \$50
ISBN: 1-894038-76-2

CASTI Metals Blue Book Welding Filler Metals (Fourth Edition)

Over 250,000 Data Entries in Printed Book or Fully Searchable E-Book

- Updated International cross references: AWS, EN (Europe), ISO (International), CSA (Canada), GB (China), JIS (Japan)
- AWS and European EN chemical composition and mechanical properties
- Carbon, alloy and stainless steels, aluminum, copper, titanium, magnesium, zirconium and nickel alloys
- Designations and titles for AWS and international standards
- Extensive description of international filler metal designation systems
- Welding metallurgy of carbon, alloy and stainless steels, aluminum, copper, titanium and nickel alloys, and weld defects are discussed in 12 chapters. 3 language glossary of welding terms: English, Spanish, French
- Printed Book is soft cover, 6"x9", 608 pages or fully searchable e-book

Soft cover book \$90 or Downloadable E-book \$50
ISBN: 1-894038-78-9

CASTI Corrosion Book Series

The CASTI Corrosion Book Series is an excellent reference for corrosion information of steels, stainless steels, nickel alloys, clad steels, pipelines, and much more!

- **CASTI Handbook of Stainless Steels & Nickel Alloys (Second Edition) \$150**
Hard Cover Book (6"x9", 513 pages) ISBN:1-894038-66-5 (Printed Book Only)
- **CASTI Handbook of Corrosion Control in Soils (First Edition) \$150**
Hard Cover Book (6"x9", 410 pages) ISBN:1-894038-48-7 (Printed Book Only)
- **Corrosion Control (Second Edition) \$150**
Hard Cover Book (6"x9", 576 pages) ISBN:1-894038-58-4 (Printed Book Only)
- **CASTI Handbook of Cladding Technology (Second Edition) \$150**
Hard Cover Book (6"x9", 267 pages) ISBN: 1-894038-30-4 (Printed Book Only)

Specify the quantity of each item you wish to purchase and fax this completed form to (780) 421-1308.

CASTI Guidebook Series™		Quantity
CASTI Guidebook to ASME Section II, B31.1 & B31.3 - Materials Index (Ninth Edition)	printed book: \$150 each e-book: \$75 each	
CASTI Guidebook to ASME Section VIII Div. 1 - Pressure Vessels (Fourth Edition)	printed book: \$150 each e-book: \$75 each	
CASTI Guidebook to ASME B31.3 - Process Piping (Fourth Edition)	printed book: \$150 each e-book: \$75 each	
CASTI Guidebook to ASME Section IX - Welding Qualification (Fourth Edition)	printed book: \$150 each e-book: \$75 each	
2004 ASME Section VIII and Section IX Code Revisions Explained (Third Edition)	printed book: \$20 each e-book: \$20 each	
CASTI Metals Data Books Series™		Quantity
CASTI Metals Black Book - North American Ferrous Data (Fifth Edition)	printed book: \$90 each e-book: \$50 each	
CASTI Metals Black Book - European Ferrous Data (Second Edition)	printed book: \$90 each e-book: \$50 each	
CASTI Metals Red Book - Nonferrous Data (Fourth Edition)	printed book: \$90 each e-book: \$50 each	
CASTI Metals Blue Book - Welding Filler Metals Data (Fourth Edition)	printed book: \$90 each e-book: \$50 each	
CASTI Corrosion Series™		Quantity
Handbook of Cladding Technology (Second Edition)	printed book: \$150 each	
Handbook of Stainless Steels & Nickel Alloys (Second Edition)	printed book: \$150 each	
Handbook of Corrosion Control in Soils (First Edition)	printed book: \$150 each	
Corrosion Control (Second Edition)	Call for special educational classroom pricing. (Minimum order of 20 books.) printed book: \$150 each	
Online ASME Code Interpretations Database™		Quantity
ASME BPV & Piping Codes Online Interpretations Database	1 hour of access: \$50 5 hours of access: \$225 10 hours of access: \$400	
Shipping: For shipments to the US by ground: \$16.00 for the first item + \$6.00 for each additional item. All overnight and international shipments sent by FedEx only. FedEx fuel surcharge may apply. Please call for rates, special request, or large orders.		

All prices are quoted in U.S. funds. Prices subject to change without notice.
